WE IMAGINE THE POSSIBILITIES

at Inspirata Pointe at Royal Oaks.

This time in life can be the absolute best. It's full of promise and opportunity, and the anticipation of what lies ahead will finally be revealed. You can **EXPERIENCE LIFE THE WAY YOU'VE ALWAYS ENVISIONED.** Maybe for the first time, the choices are all yours to make. What will you do? Suddenly, everything is possible. Which means anything is possible.

Imagine this new life in your beautiful home, which is complete and customized with top-of-the-line finishes. With maintenance-free living in our Life Plan Community, **YOUR TIME IS YOUR OWN** for whatever you enjoy most—whether it's an early morning exercise class, an afternoon swim with friends or enjoying a delightful evening of entertainment at the performing arts center. Trust us, there are so many amenities and activities available, the hardest decision will be which ones to choose. At Inspirata Pointe at Royal Oaks, we don't believe in leaving the glass half full. Why not fill it up to the top?

WE EMBRACE INNOVATION

at Inspirata Pointe at Royal Oaks.

One key difference you'll find in our Life Plan Community is the role innovation plays. We're committed to **STAYING AHEAD OF THE KNOWLEDGE CURVE** and positioning ourselves so you can access the advantages of this new digital world. As true innovators, we don't rely on lightning-bolt ideas—instead, we've created a community-wide mindset that recognizes when promising concepts could enhance life at Inspirata Pointe at Royal Oaks. We're continually looking for ways to improve our community with **INNOVATIVE THINKING**, such as using a GPS irrigation system to conserve water in our desert location or syncing smart phones so voice activated assistance can be requested through Alexa. And wait until you see our award winning all-tech apartment home, where "Lillee" the companion robot lives. You'll experience first-hand how we appreciate and anticipate the roles technology and progressive thinking can play in **CONNECTING OUR RESIDENTS** to each other—and the world!

WE FOLLOW YOUR LEAD

at Inspirata Pointe at Royal Oaks.

Our Life Plan Community was thoughtfully designed by putting ourselves into **YOUR WORLD** instead of hoping you'd find your way in ours.

Most importantly, at the end of the day, we want you to know you've

found home. Our goal is to meet your expectations, whether you like to be on the go from morning till night or prefer a more leisurely pace.

You'll find **OPPORTUNITIES** here that guarantee something for

everyone with a focus on healthy aging, **INSPIRING MOMENTS** and **ENGAGING ACTIVITIES**. And if we've missed anything,

let us know. At Inspirata Pointe at Royal Oaks, we're following your lead. And that's why we know we're headed in the right direction.

WE REACH BEYOND

at Inspirata Pointe at Royal Oaks.

We're not satisfied doing things the way they've always been done. As we thoroughly enjoy the present, we also focus on the future and the endless possibilities of what might be next. We know there are **OPPORTUNITIES JUST WAITING TO BE DISCOVERED** and we plan to be there when they are. In fact, we've already started. We're working with Arizona State University to expand our technology opportunities, and we're even beginning discussions about a possible pilot program for driverless cars on our campus.

At Inspirata Pointe at Royal Oaks, you'll find all the amenities of a small city located on an upscale oasis in the heart of Arizona. You'll love how our right-sized community delivers resort-like hospitality and service. You can also relax and not worry about the future. As the only full Life Plan Community in Sun City, you'll have the confidence of knowing that if your health needs ever change, you have a **SOUND PLAN IN PLACE** with other options and services nearby.
